

Training Camps in Hungary

Inpite of its small size, Hungary belongs to the World's biggest sport powers. In certain sports we have strong traditions and we take pride in many world famous althlets. Our teams and sportmen are among the medalists of Olympic Games, World and European Championships.

Our beautiful country can offer many possibilities and facilities for professional and amateur sport teams for training.

Whatever sport you are interested in and needs you have, we find the best place and services available to train your team. We can offer

- venues (pools and sport fields) with international standards
- wide range of accommodation from collage rooms up to top quality hotels
- meals and menus according to your athletes need and diet
- all necessary transportation
- all additional services needed for a fully effective training (training partner,mineral water supply, laundry, sport massage, medical contol)
- 24 hours assistance
- touristical programs

Our experience in organising sport tours and training camps helps you to benefit the utmost of your stay.

Examples of venues

Training camp in Telki: the newest and modernest football and sport paradise not for only professionals with many services: pitches, hotel, wellness, rehabilitation, etc.

Aladár Gerevich National Sports Hall: 400 metre large arena, with a stand of 1900 seats, is suitable for the arrangement of aerobic, table tennis, wrestling, judo, karate, boxing, rhythmic gymnastics, weight-lifting, and fencing matches and tournaments.

Népliget Sports Complex: situated in the largest park of Budapest, in a 14-hectare area. The sports complex has fantastic characteristics and its outdoor courses and covered halls: football fields, ahletics track, Swimming pool.

Olympic Centre of Dunavarsány: located 10 kilometres from the outskirts of Budapest, directly on the bank of the Little Danube. The training camp is situated in a silent and calm environment that provides an ideal setup for athletes and juniors of several branches of sport to train for the competitions.

Körcsarnok: a multifunctional sports hall located in the territory of the Olympic Centre of Budapest. The Körcsarnok is suitable to host the trainings and contests of any indoor sports except for volleyball. The institution is regularly used by the athletes of the national teams and clubs of various sports for training and competitions. The most frequent guests are the handball, basketball, table tennis, frisbee players and the judokas.

Tata Olympic Training Camp: The biggest and most well known training camp in Hungary about 60 km's from Budapest with all and full training facilities. The camp is suitable not only for training but also for conferences.

Swimming Pool complex in Balatonfűzfő: located on the north-east par of our beautiful Lake Balaton.
